Dear Mr. Siminoski,

Thanks for your undated letter which got here pretty fast.

No apologies are necessary. Glad I could help nddthat you have such interests.

And I do thank you for your offer. I have heard nothing further of a speaking engagedent at the University and I presume I may ~~xxxxxxxxxx~~ not until after school resumes. I may accept your kind offer.

Because you intend to get the Epstein book, let me tell you that a paperbacked edition (Bantam) is due in two weeks @95¢.

If you carry your work further or come to any interesting conclusions, I'd like to hear from you.

Sincerely,
